

PARENT'S GUIDE TO REQUIRED CAMP FORMS: *Your child will not be enrolled in camp until forms are received, reviewed and accepted.*

NAME OF FORM	WHO NEEDS IT?	PHYSICIAN SIGNATURE REQUIRED?	PARENTS SIGNATURE REQUIRED?	DUE DATE	WHAT ELSE DO I NEED TO KNOW?
HEALTH EXAM FORM	Every Camper	YES	NO	IMMEDIATELY! We cannot process your child's camp application without the health form.	Your child's physical exam is good for 3 years so you may not need an appt with the physician but the physician still needs to complete and sign the form which includes verification your child has received all the required childhood immunizations. If your child has a current Health Assessment Form for school, you can submit that for review - the Immunization record must be attached!
ASTHMA ACTION FORM	A Camper who will be bringing an inhaler to camp to treat Asthma	YES	YES	IMMEDIATELY! We cannot process your child's camp application without this form	An Authorization for Administration of Medication Form must also be submitted for EACH medication brought to camp for Asthma (i.e., An Inhaler and anti-inflammatory medication would need 2 separate Authorization for Administration of Medication Form - medications can't be combined on one form. This form requires a physician and parent signature.
ANAPHYLAXIS EMERGENCY ACTION PLAN	A Camper who will be bringing an EPI-Pen to camp for a severe allergy	YES	YES	IMMEDIATELY! We cannot process your child's camp application without this form	If your camper has more than one condition that requires an Epi-Pen, you must submit this form for each condition (i.e., if your child has both a severe food allergy and a bee sting allergy that would both require an Epi-Pen, the doctor needs to complete and sign 2 Epi-Pen Emergency Healthcare Plan forms. In addition, an Authorization for Administration of Medication Form must also be submitted for EACH medication brought to camp that requires an Epi-Pen (i.e., the Epi-Pen and Benedryl (or other) would require 2 separate Authorization for Administration of Medication Forms - medications can't be combined on one form
AUTHORIZATION OF ADMINISTRATION OF MEDICATION FORM	A Camper who is bringing medication to camp. This includes over-the-counter medications like tylenol, ibuprofen, vitamins, etc.	YES	YES	IMMEDIATELY! We cannot process your child's camp application without this form	1 form must be submitted for EACH medication brought to camp. This form is the Physicians authorized written order providing specific instructions on administering each medication. The parent must also agree to and sign this directive.
INDIVIDUAL PLAN OF CARE	A Camper who requires additional support while at camp. Examples include but are not limited to: Behavioral challenges, anxiety, special dietary needs, diabetes, seizures, hearing/visual/movement impairments, chronic illness, developmental variations, etc.	NO	YES	IMMEDIATELY! We cannot process your child's camp application without this form	Use this form to explain the plan for providing your child with the additional support they need. If you would like to have a conversation with a camp director before completing this form, please sent your email request to project0@oceanology.org .

PLEASE REVISIT YOUR CHILD'S MEDICATION STATUS BEFORE CAMP IN CASE THERE IS A CHANGE (ADDITION OR DELETION) IN THE MEDICATION THAT YOU ARE BRINGING TO CAMP
